Dear Ms.Laura,

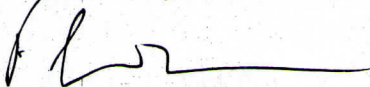

Greetings from Don Bosco Provincial House, Tiruchirapalli, India!

I am happy to acknowledge the transfer of €4,930 to our bank account with South Indian Bank being the scholarship for the poor students at Keela Eral. Thank you very much for the transfer of money. The children in our centre at Keela Eral remember you and thank you for the benefit they receive through us. Kindly find attached the receipt and the bank instruction for the credit of the amount.

I have enclosed also the details for transfer of money to our account. This time the account number was missing. So, the bank delayed the credit.

Thanking you and wishing you all the best in your good work.

Yours sincerely,

Fr.P.Antony Joseph  
Provincial Economer
